Join Northwestern’s Office of International Program Development and Global Health Studies for our Public Health Faculty Career Panel. Northwestern professors from a variety of backgrounds will share insights on the dynamics and interdisciplinary nature of public health work.

**PANELISTS INCLUDE:**

- **Leslie Cordes**, Assistant Professor of Clinical Pediatrics-Community-Based Primary Care, Department of Pediatrics, Feinberg School of Medicine
- **Michael Diamond**, Adjunct Lecturer, Global Health Studies, Weinberg College of Arts and Sciences
- **Sarah Rodriguez**, Lecturer, Medical Humanities and Bioethics, Feinberg School of Medicine & Global Health, Weinberg College of Arts and Sciences
- **Juliet Sorensen**, Clinical Associate, Center for International Human Rights, School of Law
- **Noelle Sullivan**, Lecturer, Global Health Studies & Department of Anthropology, Weinberg College of Arts and Sciences
